First

things first. I would like to say

THANK YOU to everyone that showed up. The semi-annual road cleanup went very well. We had twenty nine people show up and got started at 0700. We had a real quick safety briefing to make sure everyone stayed safe during all parts of the road clean up and coin shoot.

Bill and Carla Eisley started to get the grill ready and laid out the food. There was lots of water, cookies and chips along with cherry pies watermelon, apples, hot beans and plenty of hot dogs with all the fix'ns.

As the road clean up started Carla went off to hide twenty chits. They marked off an area with surveyor tape so everyone would know the chit zone. After the cleanup was over I gathered up everyone up and told them food was ready and also the coin shoot was starting.

Nineteen of the twenty chits were found. Good job on the following folks that found two chits a piece: Ken Arnold, John Snow, Sam Giordavo, Carlie, and Bob Melzer. Congratulations also goes out to Lenny Re, Bill Eisley, Charlotte Simpson, Helen Wrubel, Wes Osborn, George Bobak, Debi Carr, and Mike Hawes for finding chits and exchanging them for gold.

By the way we loaded over twenty bags of trash and located them in a central area for pickup. I know there was some confusion on the location and where the turn off was I'll try doing better next time for the folks that went 17 miles instead of 11.3. Sorry!

A special thanks to Carla and Bill for helping with everything.

Life is golden, Dig it!!
